

# Company Profile

Your **trusted partner** in  
construction materials, PPE, tools  
and on-site safety equipment

# Who we are

## About us

At Inyosi Agencies, we act as your external, overhead-free buyer – giving you access to top-quality construction materials, PPE, tools, and site essentials without the hassle of managing in-house procurement.

We source and supply on your behalf, ensuring you get the right products at the right time, with no added overhead. Backed by industry knowledge and hands-on experience, our team works closely with contractors, project managers, and site supervisors to streamline purchasing and keep projects moving.

Whether it's concrete repair products, waterproofing systems, workforce safety gear, or reliable tools for on-site performance – consider us your trusted procurement partner, working behind the scenes so you can focus on building.

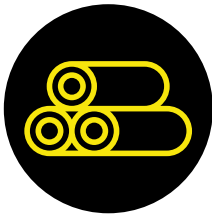

Procurement made **simple.**

# What we offer

## Our solutions

### **Construction materials**

Grouts, adhesives, waterproofing systems, floor coatings, steel protection and more – sourced from trusted local and international suppliers.

### **Tools & Power Tools**

GA range of quality tools to help you work smarter – from hand tools to reliable power tools for cutting, grinding, drilling, and demolition. We supply tools built for tough environments and long-term performance.

### **PPE & workwear**
